Jim,

STAT

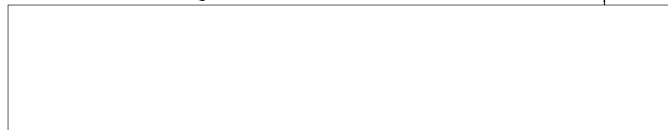

I understand from [redacted] that you were recently kind enough to turn over some old documents to us for proper disposition. That was certainly thoughtful of you, and we appreciate it.

We've come a long way since those early days, haven't we.

Hope all is well with you. As you might guess, there's never a dull moment here. Just don't believe everything you read in the newspapers!

Regards,

John N. McMahon
